Table with columns for months from October 2023 to June 2024. Each cell contains tide data including time and height (m) for High Water (H) and Low Water (L). Includes moon phase indicators like New Moon, First Quarter, Full Moon, and Last Quarter.

Tidal information is provided courtesy of the Sydney Ports Corporation. Copyright in the Tidal Predictions is owned by the Bureau of Meteorology. © Commonwealth of Australia 2022 & 20203 Bureau of Meteorology. Above times are High and Low waters for Sydney (Fort Denison), when diving Nelson Bay start your dive at the time shown above for High water. Sydney Ports Corporation is not responsible for the average time difference for other locations. ○ New Moon ● First Quarter ● Full Moon ● Last Quarter
